

# HAWK TROT 2021!

## WEDNESDAY - NOV 10TH

CHIEF, through the work of all parent volunteers, organizes to financially support the International Baccalaureate (IB) Program here at Carl Hankey. We're back and ready for the 2021 Hawk Trot! Learn more about how you can help us at <https://carlhankeyfoundation.org/>

Capistrano Unified School District does provide support for the IB program through staffing and professional development. However, the additional costs for IB programs, such as elementary Spanish, middle school design and the materials required to support the IB curriculum, together at a cost of approximately \$40,000 a year, are self-funded by the school community. CHIEF is a non-profit so any support you can give is also tax-deductible (Tax ID #27-5248555). Let's go HAWKS!

### Our school wide goal for 2021 is \$25,000.

The top earner in our Elementary classes will get to **SLIME** Mrs. Aguilera!

The top earner in our Middle School SOAR classes will get to **SLIME** Mr. Smith!

### Our classroom goals are \$1500 per class/SOAR.
