Help Us Fund South OC's ONLY Public K-8 IB World School!

Carl Hankey International Education Foundation(CHIEF) is a group of volunteers dedicated to supporting the Hankey International Baccalaureate(IB) Program. We're back and ready for the 2021 Hawk Trot, our biggest fundraiser!

Learn more about how you can help us at <https://carlhankeyfoundation.org/>

Capistrano Unified School District supports IB through staffing and professional development. However, there are additional costs for IB which include elementary Spanish, middle school design and the materials required to support the IB curriculum. This costs approximately \$40,000 a year and is self-funded by the school community.

CHIEF is a non-profit so any support you can give is also tax-deductible (Tax ID #27-5248555).
